Flight Research Center, RU

End of Day 1

17h30

The forum organization team is pleased to invite you to the forum social event.

The Social Event will be held in the State Museum devoted to the life and work of the famous Russian poet of the 19th century Alexander Pushkin.

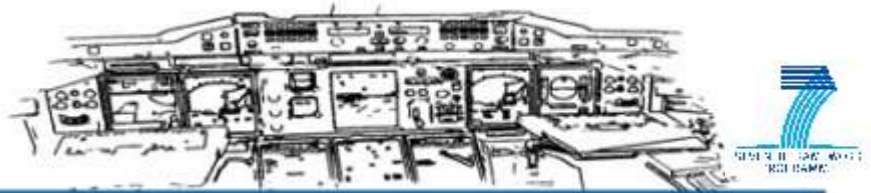

The Museum is located in one of the most beautiful buildings built in 1817 after the Great Fire of Moscow.

It is also the largest literary museum of Russia and the first one devoted to Alexander Pushkin.

The exhibition of the Museum consists of numerous portraits, landscapes and sites of cities, examples of Pushkin's theatrical life, books, manuscripts, photographs, films and audio documentation showing the life of A. Pushkin and his surroundings.

Visiting our Social Event will give you have a unique opportunity to feel Russian history, and go on exchanging with both the IMA Russian programme and SCARLETT partners.

A guided tour around the Museum will be available from 7 p.m. for participants. The social event is scheduled to start at 8 p.m. Formal evening dress is recommended.

DAY 2 - October the 1st, 2009

Integrated Modular Avionics research topics (cont'd)

09h00

Tools and Processes for IMA2G Avionic Development and Integration

Mr. E. Stalkamp
SCARLETT / Airbus Germany

Common Development Environment Approach for the DME

Mr. B. Annighöfer
SCARLETT / TUH

Configuring an IMA platform as a whole

Mr. T. Schoofs
SCARLETT / SKYSOFT

Share of development means among IMA actors.

Mr. Y. Ramia
SCARLETT / ARION

Break

IMA related Standards

Mr. E. Pivetta
SCARLETT / DIEHL Aerospace
Mr. K. Egorov
GosNIIAS, RU

System integration technologies for IMA based solutions

Mr. I. Koverninskiy
GosNIIAS, RU

The need for interoperable IMA solutions

Mr. G. Chuyanov
GosNIIAS on behalf of UAC, RU

Closing session

Mr. S. Zheltov
Mr. D. Hainaut

GosNIIAS General Director
SCARLETT Project Manager

Lunch

12h50

End of Forum

14h00
